

STEM Study Tours is delighted to announce that

School

Of

area

Has been selected to represent **their area** in a specialty STEM (Science, Technology, Engineering and Mathematics) educational opportunity to **destination** in **year**.

The students participating will be required to engage with local scientists and educational workshop facilitators for STEM Study Master Classes and further scientific education. It is our hope that you will help support these pupils in their fundraising efforts by contributing to their resources to allow them to raise the required funds for travel.

If we may be of assistance or provide any details to you about this incredible scientific opportunity, please do not hesitate to contact us directly.

Very warmest regards,

Michele
